News & Reports

The Parish Council took a break in August.

Please come along to the next meeting 8pm on September 4th, when, among other things, we will be discussing the submissions received for a new design for the village sign. Drawings are on the back cover. Work completed during the summer included the installation of new playground equipment (see pg 2 for photos) and the resurfacing of much of St Mary's Hill

A Couple of Maths Puzzles to Fill the Gap

There are 20 bags of gold and a set of scales in the room. One of the 20 bags contains fake coins. The bags don't necessarily have the same number of coins in them (but each contains at least 30). The real coins weigh 5 grams each and the fake ones 4 grams each. With a single weighing, you need to discover which bag contains the fake coins. How on earth are you going to do it?

Brunhilda has 2 wicks, a lighter, and a rather unusual name. Each wick takes an hour to burn, but doesn't necessarily burn consistently. In other words, if half a wick is used up, that doesn't necessarily mean that half an hour has passed. How can you tell when exactly 45 minutes are up using only the wicks and the lighter?

Unfortunately I have run out of space for the (rather lengthy!) answers. I promise to publish them in the next edition but if you can't wait, email me and I'll send them through.

Gary's Walk

On August 16th 19 brave souls from the walking group and friends embarked on an evening canoeing adventure from Oundle to Ashton Lock and then onto Cotterstock. Afterwards we retired to the Tap and Kitchen for our usual post activity drinks and chat. Our thanks go to Dave at Nene Extreme. We had an enjoyable evening paddle and would thoroughly recommend you give it a go sometime.

In September our feet will be back on soil and we shall be walking from Lyvden New Bield (Top car park) on Saturday 23rd, if you fancy joining in please met at the car park at 10.00am

Thanks to our village artists for submitting these 3 stunning designs to replace our village sign. The Parish Council will have the unenviable job of choosing between them at their meeting on September 4th
