

WOODNEWTON NEWS

JULY 2023

Parish Council Report – June 2023

The Parish Council met on 6th June 2023.

Public Time

A member of the public attended to discuss a planning application. The application was discussed during the meeting. A constructive discussion allowed for a satisfactory resolution to be found.

Churchyard

The amended regime for the re-wilding has now commenced with the graves at the back of the Church being cut and access to those graves improved, with compensating areas left to grow.

Speeding in and through the Village

Temporary 30mph signs have been installed on Main Street for the school holiday period.

Playing Field

The annual external playground safety inspection report was carried out in June.

Planning

NE/23/00130/FUL – Returned with No Objection

Allotments

Cllr Goodall reported that one of the taps was faulty and required repair. It was also noted that a very small number of allotments were not being maintained to the normal standard. Tenants are reminded of the requirement to maintain their plot, and if they need help, and/or want to give up their plot to contact the Parish Council at the earliest opportunity so that people on the waiting list can take it on.

Coronation Orchard

The area has been sprayed off and the rubbish from the plot clearance been burnt. The next stage is to clear the ground of all the old roots etc so that tree planting can start in the autumn.

Fly-tipping

Cllr Swallow noted the increase in fly-tipping around the village roads over the last month. Tipping on verges and public land can be reported to NNC who will clear it up. Please see elsewhere in the magazine for the relevant website. If you see anyone fly-tipping, please do not approach them, but take as many details as possible of the people and vehicle and report via NNC website.

Old School House

Council noted the Vicar's article in last month's newsletter and will be happy to engage in any way when the time arises.

Coronation Plaque

A handmade commemorative plaque made by a village resident and fired in the pottery has been donated to the village. A suitable location will be found. The Council recorded their thanks to the resident for their kind gesture.

The next Parish Council meeting will be 8.00pm Monday 3rd July.

Andrew Hansford - Parish Council Chairman

St Mary's Church News

30th July – 10.00 a.m. BENEFICE HOLY COMMUNION AT YARWELL

Every Sunday 5.00 p.m. A Service at Home by ZOOM (phone or online).

Log-in details from Rev. Jane

I know that I often write about the wonders of our countryside, which is not surprising really as we are fortunate to live in such a wonderful area. Certainly the beauty of our early summer fields and hedgerows can lift our spirits and hopefully we also spare a thought for those who tend the land with such diligence. I have been particularly conscious of that driving from Apethorpe to Nassington recently with the wonderful strips of land around the crops that have yielded such an amazing display of what I think are dog-daisies or ox-eye daisies. (I am sure someone can correct me on that, and perhaps the thinking behind it.)

However, as I was preparing the service list for this month, my eye was drawn to the note about our Zoom service which continues each week, even though we are now completely back in church for services without any covid restrictions. It has been lovely to continue this service for those who are unable to attend church for various reasons, and I know, also that the "At Home" service that I post out each week for that service is also used by others on their own. For me this is a reminder that where-ever we are we are connected with each other when we worship and pray, even if physically we are alone. In God's love which transcends time and space. we are united with others who are also praying at that moment, and with those who use the same prayers at different times. I also find it comforting to know that we worship with the whole company of heaven, with those we have loved but now rest in God's closer care.

Returning to Zoom and technology, it seems to me that these different ways of keeping in touch have been one of the few "covid blessings" from the last couple of years and perhaps we can give thanks for those whose skills have enabled this technology to grow. Of course, there is concern about how modern communication and social media is used, but as with so much it can be used for good or ill. Let us remember, and if you wish, pray, for those who use their skills for the benefit of our world, whether it is on the land or in technology – it is indeed a marvellous and complex world in which we live!

With every blessing,

Rev. Jane

What's happening?

Following on from the clearing up of the allotments in May, The scrub and wood on the bonfire has now been burnt, and the cleared ground sprayed for weeds and brambles, ready for tree planting this autumn.

Photo: Marcus Swallow

A plaque commemorating the Coronation of King Charles III has been made by a local resident, fired at the pottery and donated to the village.
