Internal Audit Report

(to be read in conjunction with the Annual Internal Audit Report in the Annual Governance and Accountability Return)

Name of council:	Woodnewton Pari	sh Council	
Name of Internal Auditor:	Claire Tilley	Date of report:	11th April 2025
Year ending:	31 March 2025	Date audit carried out:	11th April 2025

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council through its staff and management and not left for internal audit. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. This report is based on the evidence made available to me and consequently the report is limited to those matters set out below.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Fallure to take appropriate action may lead to a qualified audit opinion.

To the Chairman of the Council:

I had a virtual meeting with the Clerk, Amy today, which concluded my work auditing the governance and finances of the Parish Council. I would like to thank for her time and cooperation with my queries and requests for paperwork.

My report is an annex to the Annual Internal Audit report, which forms part of the AGAR.

I have checked through all the objectives with regards to Governance and Finances either through information on the website or via my discussion with Amy. It appears that the council had a relatively quiet year. I am pleased to see that the council now has a dedicated credit card, so that items are not purchased with Clerk or councillors personal cards.

I can agree that all the relevant Internal Control Objectives were achieved and I am happy to sign off the AIAR.

With regards to my recommendations for last year, I would just note the following-

Recommendation 2023-2024	Comment
Risk assessment review	Up to date RA website is dated March 2025, but no minute of when it was actually reviewed.
identifying additional staff payments	Additional items now identified

Recommendations for action 2024-2025

Areas for consideration or improvement	Recommendation
Move to a council owned email address- eg woodnewtonparish.gov.uk or woodnewtonpc.org or woodnewton.co.uk	Although only a recommendation this year, from April 2025, the requirement will be that "every authority must have a generic email account on an authority owned domain" and this assertion will appear on the AGAR for next year.

Yours sincerely,

The Market Second

Ms Claire Tilley Internal Auditor to the Council 07981609565 claire@renaissancebusiness.co.uk

Certificate of Exemption - AGAR 2024/25 Form 2

To be completed by smaller authorities where the higher of gross income or gross expenditure did not exceed £25,000 in the year of account ended 31 March 2025, and that wish to certify themselves as exempt from a limited assurance review under Section 9 of the Local Audit (Smaller Authorities) Regulations 2015.

There is no requirement to have a limited assurance review or to submit an Annual Governance and Accountability Return to the external auditor, provided that the authority has certified itself as exempt at a meeting of the authority after 31 March 2025 and a completed Certificate of Exemption is submitted no later than 30 June 2025 notifying the external auditor.

WOODNEWTON PARISH COUNCIL

certifies that during the financial year 2024/25, the higher of the authority's total gross income for the year or total gross annual expenditure, for the year did not exceed £25,000

Total annual gross income for the authority 2024/25

£23,242

Total annual gross expenditure for the authority 2024/25: £21,250

There are certain circumstances in which an authority will be unable to certify itself as exempt, so that a limited assurance review will still be required. If an authority is unable to confirm the statements below then it cannot certify itself as exempt and it must submit the completed Annual Governance and Accountability Return Form 3 to the external auditor to undertake a limited assurance review for which a fee of £210 +VAT will be payable.

By signing this Certificate of Exemption you are confirming that:

- The authority was in existence on 1st April 2021
- In relation to the preceding financial year (2023/24), the external auditor has not:
 - issued a public interest report in respect of the authority or any entity connected with it.
 - made a statutory recommendation to the authority, relating to the authority or any entity connected with it.
 - issued an advisory notice under paragraph 1(1) of Schedule 8 to the Local Audit and Accountability Act 2014 ("the Act"), and has not withdrawn the notice
 - commenced judicial review proceedings under section 31(1) of the Act
 - made an application under section 28(1) of the Act for a declaration that an item of account is unlawful, and the application has not been withdrawn nor has the court refused to make the declaration
- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act. If the above statements apply and the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor

either by email or by post (not both).

The Annual Internal Audit Report, Annual Governance Statement, Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on the authority website/webpage* before 1 July 2025. Signing this certificate confirms the authority will comply with the publication requirements.
